

ARC-PBW Wide Flush Aluminium Profile for Plasterboard – Including Diffuser

Product Code: ARC-PBW

Product Overview

The ARC-PBW Wide Flush Aluminium LED Profile is a recessed LED channel designed to be integrated flush into plasterboard walls or ceilings to create sleek, modern linear lighting features.

It's ideal for projects where you want LED strip lighting to blend seamlessly into surface finishes with a professional, minimalist look.

Generous 20.7 mm Internal Width: Perfectly designed to fit up to 2 × 10 mm LED strips, delivering bright, uniform illumination.
