TECHNICAL DRAWING WITH DIMENSIONS

TECHNICAL INSTRUCTIONS

TECHNICAL SPECIFICATIONS

The LED strip channel diffuser helps diffuse light from LED strips, delivering soft, smooth lighting and making it a good option for under-cabinet lighting.

The low profile and slim structure allow them to recess into tighter spaces in your cabinets or shelves.

The inner width is 5.5mm, allowing for the accommodation of 4mm or 5mm LED strips. We recommend using our 4mm COB LED strips as the light source, which creates a uniform distribution with no light spots or dark areas.

TECHNICAL SPECIFICATIONS

Length	3000mm
Internal Width	22.2mm
Overall Width	20.1mm
Depth	8mm
