

# COB CCT Tunnable Free Cut Led Tape Series

## Product Description

Light Tape has quickly become a popular linear lighting solution because of its high brightness, flexibility, size, and ability to be cut and customized with easy-to-use accessories.

LED Strip is mounted on a double layer 2oz (top-layer 1oz, bottom-layer 1oz); Led chip mounted on PCB directly, no lighting dot;

## Drawing(Unit: mm)

## Product Features

- . 90+ CRI
- . 640Chips/meter
- . 5years warranty
- . >90Lm/Watt
- . Free Cut
- . Dimmable

## Specifications

|                 |            |
|-----------------|------------|
| Input Voltage   | 24V DC     |
| Power           | 15W/M      |
| CRI (Ra)        | 90+        |
| Lumen           | 1350LM/M   |
| Beam Angle      | 120 Degree |
| Dimming Options | PWM,0-10V  |
